

Gifts to Pine Island Camp 2022

From January 1 to December 31, 2022, 272 generous Pine Island families and friends made donations to Pine Island Camp totaling \$589,958, to say nothing of the in-kind gifts of time, services, and more that we received last year. All these gifts are hard at work keeping Pine Island the strong and vibrant institution it has always been in spite of the lingering effects of the pandemic.

Thanks to your generosity, the Lovett Scholarship Fund was able to help offer a Pine Island summer in 2022 to 12 boys who would otherwise not have been able to go to camp.

Your Annual Fund donations support every aspect of our operation, including keeping our buildings in top condition, our fleet in good repair, and our trip and activity gear updated, to name just a few.

We continue to seek to build a stronger financial footing for the camp to insure against fluctuations in the operating budget, withstand disruptions, fund new programs and projects, and capitalize on opportunities in support of our mission.

All of your gifts have helped Pine Island to preserve and build on its rich past, to provide for the camp's present needs, and to secure its future so that the Pine Island experience that has enriched our lives will endure for generations to come.

To recognize the exceptional loyalty of Pine Islanders over many decades, we've added a feature to this report recognizing long-time donors. *100%ers*, marked with a , are those who have given 10+ years. *Seen-the-Lighters*, marked with a , are those who have given 5-9 years.

To each and every one of you, old and new donors alike, thank you and Akka Lakka!
